

create a combined study guide using all the resources

Here is a comprehensive study guide based on the lecture materials provided for **New Age Life Skills - Unit 3, Lecture 5**.

Study Guide: Cyberbullying Awareness and Prevention

Course: B.Tech 1st Sem (SoCE) – New Age Life Skills (IT Skills) **1** **Topic:** Cyberbullying Awareness and Prevention

1. Core Concepts & Definitions

What is Cyberbullying? Cyberbullying is the use of digital platforms (social media, messaging apps, gaming sites) to harass, threaten, embarrass, or target another person **2**.

• **Key Characteristics:** Unlike traditional bullying, it can occur 24/7, reach a massive audience instantly, and allows the perpetrator to remain anonymous, making it difficult to trace **3**.

Forms of Cyberbullying You must be able to identify specific types of harmful online behavior:
